## **New Business:**

- Blue Earth County Sheriff's Office Emergency Management, will be conducting a comprehensive Siren Assessment Project the week of April 20<sup>th</sup> (weather dependent). This assessment will look at the entire emergency warning (siren) system infrastructure including dispatch and physical sirens located in our communities. The vendor will then provide us with a detailed report on the current infrastructure; suggestions for long term maintenance and sustainment; and associated costs. They requested a contact person, access, and communication to the residents.
