- City Clerk Report - I will post the Open Book meeting for property taxes in March. I will try to send out some news in March so let the clerk know if you have anything you want me to include in a newsletter or just email news from our website. Eric Weller needs the city's contact information updates for the council and then the companies we use. Please review and make adjustments for me to send to him when I get back. Please review the Landlord Decline letter from AT&T and advise. North Risk Partners are wondering: The P&C renews 04/12/26 which we would align it to the WC of 05/01/26. It would be a short-term policy for a little less than a month then we would renew your WC and P&C altogether.
